

2021 LEEUWIN ESTATE SIBLINGS SHIRAZ

Review Summary

93 pts/Editor's Choice "This younger, less costly sibling in Leeuwin's Shiraz pair really shines. Less encumbered by oak, there are lucid, layered aromas of red currant, black olive, dark chocolate and savory spice. They flow to a mid-weight, harmonious palate of plump plummy succulence, wrapped in savory, fine tannins with lovely mouth-watering acidity.."

91 pts "Sichuan pepper, violet, salumi and blue fruit allusions meld across a gristly, gently reductive finish. Plenty of chew and chomp to this, which I like for a wine of this tier. Good, savory drinking. Drink or hold. Screw cap."
