

## 2022 CULLEN WINES CABERNET SAUVIGNON MERLOT

### Review Summary

**94 pts/Editors' Choice** "Punchy berry, savory spice and graphite aromas pop from the glass from first sniff of this Cab-led Bordeaux blend, while the palate offers a powerful frame of savory, chalky tannins within bright fruit and lifted acidity. A top bottling from one of Australia's most progressive producers."

**92 pts** "The colors in Cullen's wines are astonishing – this a vibrant, dark purple-red hue. The palate is even and smooth for such a young wine, decent tannins along the way and plenty of regional attributes, mulberries and river mint with lively acidity to close."
