

2022 GREYWACKE CHARDONNAY

Review Summary

GREYWACKE

92 pts “The 2022 Chardonnay is ripe and powerful, with intense fruit in the mouth, buttered popcorn characters and yellow peach. The acidity is as bright as the fruit is ripe, a characteristic of New Zealand Chardonnay that is both distinct and consistent. This is a little more obvious and fruit-driven than last year’s iteration.”
