

2020 d'ARENBERG THE COPPERMINE ROAD

Review Summary

94 pts “Bold aromas of blackcurrants, blackberry compote, blueberries, violets and cedar. The palate is full-bodied with firmly framed tannins and balanced acidity, giving flavors of eucalyptus, iodine and tobacco leaves. Bold, with a stylistic touch. Drink or hold. Screw cap.”

90 pts “2020 d'Arenberg The Coppermine Road Cabernet Sauvignon is inky and dense, with cassis and cherry black fruit, firm, grippy tannins and an attractive, graphite quality to the palate. There's lots going on here. This is a compacted, dense wine. Clove and dried mint tannin linger on the finish. 14.5% alcohol, sealed under screw cap.”
