### Review Summary

**91 pts** “Aromas of toasty barrel spice and cherry lollipop waft from the nose of this medium-bodied wine. The palate is saturated with flavors of raspberry candy, menthol, caramel and black tea. Pair this with miso glazed salmon. Best from 2026-2035.”

**90 pts** “Plump and frankly ripe, with friendly flavors of boysenberry and raspberry paste that bring juicy energy, while a flash of fruitcake and hint of rose hip add range on the toasty finish. Drink now through 2027.”
