

2020 d'ARENBERG THE LOVE GRASS

WINEMAKER: Chester Osborn
REGION: McLaren Vale, South Australia
VARIETALS: Shiraz (86%), and nine other varieties (14%)
MATURATION: 18 months in new and older French oak barriques
ANALYSIS: 14.5% alc/vol | TA: 6.8 g/L | pH: 3.52

BACKGROUND: A wild grass, the Love Grass, often grows in the vineyards surrounding the d'Arenberg winery. During vintage, the sticky, Velcro-like, long stemmed flowers of the Love Grass affectionately attach themselves to the vineyard workers' socks. This Shiraz will also linger with you and, as such, the family thought it fitting to name this wine 'The Love Grass.'

WINEMAKING NOTES: Small batches of grapes are gently crushed and then transferred to open fermenters. Foot treading is undertaken two thirds of the way through fermentation, the wine is basket pressed and then aged in French oak for up to 18 months.

TASTING NOTES: Deep, bright purple color. A swirl in the glass releases aromas of boysenberries, dark plum, blackcurrant and peppery spices. The expressive bouquet leads into a complex palate with licorice, plum, mulberries, dark chocolate and black cherries - all surrounded by ripe tannins and a velvety texture. Definitely ready to drink on its youth but can also be greatly improved with cellaring time up to 15 years.

ABOUT d'ARENBERG: One of the undisputed kings of Australian Shiraz and Rhone varieties, d'Arenberg has managed to turn individuality into an art form by doing a whole lot of little things differently. The original vineyards were established by Joseph Osborn in 1912 in the McLaren Vale region of South Australia. A century on, the estate has grown to 345 acres, and the mantle now rests with fourth-generation winemaker Chester Osborn. By maintaining a focus on traditional winemaking and nurturing their old-vine material, the Osborn clan has successfully established themselves as one of the country's leading producers of concentrated, characterful wines. Consistently ranked as one of the Top 100 Wineries in the world by Wine & Spirits Magazine, this reputation is clearly recognized globally.
